The Dewan of Mysore,

BANGALORE.

Sir,

I beg to submit the following for your kind and sympathetic consideration:-

The Sri Adi Chunchanagiri Mutt is an ancient one but had fallen on evil days for a long time. It was only in 1928 that the present Swamiji was installed on the gadi and things are progressing well. But we are greatly handicapped for want of funds. The buildings have all become delapidated and we have got an extensive scheme for putting up buildings both at the Mutt and at the foot of the hill. Our resources will be fully taxed for this purpose.

We have got an idea of opening religious classes for the devotees, and have also to be issuing monthly journals about the activities of the Mutt. Our Mutt is not enjoying any inam grants and has to fall entirely on its own resources for its work.

The Mutt is a very important institution and is located in the centre of Mysore plateau and has a large body of desciples, who, however, have lost the habit of subscribing to the Mutt on account of the past mismanagement.

We had prayed some time back for a monthly grant, and we have been asked to apply later when we to

building programme will approach the Gover-

Government in due course for the building grant but meantime we require funds very badly and the progress of our work is greately hampered.

We pray that Government of His Highness the Maharaja of Mysore may be pleased to make a monthly grant of Rs.600/- and enable the Mutt to carry on its beneficent and useful work.

I beg to remain,
Sir,
Your most obedient servant,

Bangalore,
D/22nd June 1931.

2. It appears that the affairs of the Matha were in anything but a satisfactory state ~~in any respect~~ some time back and it is only after the present Swamy's installation in 1928 that ----- endeavours are being made to put ~~every~~ things in order and to bring the lands under cultivation. For insufficiency of funds, the Matha has not been able to achieve much progress during these 3 years. The prominent disciples of the Matha are making strenuous efforts to raise the --- prestige and importance of the institution, as both had materially suffered in the past. Considering that the Matha serves the spiritual needs of a large section of the population of the State, the efforts of the disciples deserve sympathetic consideration at the hands of Govern-

6) The present request is for a monthly cash grant of Rs.600/- to the Sri Adichunchinjiri Matha as its financial conditions are not --- satisfactory. It may be noted that no cash grants have been sanctioned for the last ----- several years. The last grant in favour of the Dargaon Baba Budan Hills was sanctioned in the marginally noted Government Orders. Since then no fresh grants have been sanctioned from State Revenues for any religious or --- Charitable institution except the Brindavanam at Calcutta. From the Deputy Commissioner's letter (copy enclosed) it will be seen that the Matha owns large landed properties and the income therefrom is not in any way proportionate to the extent and the annual assessment of Rs.500 paid on it. The present yield from the lands is estimated at only Rs.1500/- p.a. and as much as 241 acres are lying banjar.

4. The agent of the Matha has furnished -- detailed lists showing the income and expenditure which amount to Rs.4000/- and 11028/-, respectively The expenditure may be classified as hereunder:-

I.	Establishment (Including the Barr-Guard)	4528- 0- 0
II.	Daily feeding	2000- 0- 0
III.	Hetchukatle	600- 0- 0
IV.	Miscellaneous	3900- 0- 0
		11028- 0- 0

The actual expenditure for the past three amounts to Rs.4407/ per annum on an average against an income of Rs.3074/- according to State lists of details furnished by the agent.

NOTE – Contn. Sheet

WD 025[illegible]-50,000—GPR—8.7

Item iv includes a sum of Rs.1300/- towards the payment of loan instalments and the interest thereon. The agent has represented that on account of the present financial position it has not been possible either to pay the instalments or the interest on the sum of Rs.3000/- lent to the Matha (vide G.O.No.1245-47/Muz.52-24-28 dated 2nd February 1928). It is further represented that the presence of the Barr Sepoys has a -- considerable wholesome influence upon the ---- undesirable characters in the neighbourhood and the continuance of the guard is necessary. To balance the income and the expenditure as above stated, the agent prays that an annual grant of Rs.7200-0-0 may be sanctioned.

5. In view of the present financial position of the institution, the time for the repayment of the loan may be extended by 2 or 3 years. This will release a sum of Rs.1300 from the demand. The proposed expenditure on propaganda may also be deferred till conditions improve. The excess of expenditure over income will thus be reduced to Rs.5300/- The expenditure on establishment may ~~also~~ be perhaps capable of economising in some respects. Improvement of the lands may materially increase the income.

6. The following important Mathas are in receipt of the grants as noted against them:-

i.	Melinagavi Matha at Sivaganga	203-9-0	per annum.
ii.	Jangam Matha at Rajapura	203-9-0	"
iii.	Parakala Matha	28342-8-0	"
iv.	Raghavendraswami matha	6989-0-0	"
v.	Vyasarayaswami Matha	3977-12-0	"
vi.	Sringeri Matha	6000-0-0	"
vii.	Uttaradi Matha.	6312-0-0	"
viii.	Kudli Sringeri Matha	872-12-0	"
ix.	Matha at Balehalli	203-10-0	"
x.	Puttigi Matha	290-4- 0	"

On a previous occasion when the agent made a -- similar request for an annual grant of Rs.6000/- my predecessor, Rajakarya Pravina Mr. P. G. D'Souza, made the following recommendation:

"The question of giving a new grant to this --- institution is entirely for the orders of Government. Having regard to the fact that the Vokkaligars form a large majority of the population of Mysore, and the -- appointment of this Swami is likely to give considerable impetus to their religious and social amelioration, I think a special grant of Rs.100/- may be sanctioned per month. I am not in favour of any of this amount used for daily feeding but it should be used for some strict religious instruction etc.," In G.O.No.35-86/ Muz.375-27-12 dated 11th July 1929 it was directed that the request of the matha for financial assistance for the improvement of its buildings or other similar objects will be considered by Government.

As observed above, the question of giving a new grant is entirely for the orders of Government. A special grant from the State Funds has to be sanctioned, ~~and~~ as the General Muzrai Fund cannot bear any recurring or non-recurring charges. I would suggest that in addition to the ~~xxx~~ permanent grant already recommended a temporary grant of an equal sum may perhaps be granted in view of the special difficulties of the Mutt for a definite period of years.

6 The request is for a cash grant of Rs 600/- per mensem. As stated by the Muzrai Commissioner in his note above, no new cash grants to Mutts or other institutions are now sanctioned. Ten Mutts are in receipt of varying amounts of annual cash grants and they are being continued under the general policy of respecting old grants. Under modern conditions it is difficult to justify such grants and if a new grant is allowed to one institution, it will invite applications from other similar institutions and it will be difficult to refuse their requests. In view of these consideration it seems to me that it is not possible to comply with the request of this Mutt for a cash grant.

Among the items of expenditure of the Mutt are: 1) daily feeding costing Rs 2,000/- a year, and, 2) charges for publishing a journal. These are demands to be met from the general resources of the Mutt and it is not right to expect any contribution from Government for meeting them.

7 This Mutt was not under proper management until recently and the Vokkaligha community desires to improve its position and it may be given whatever help is possible other than a cash grant. Assistance in the following forms may be afforded to it:-

1) It has taken a loan of Rs 3,000/- and is unable to repay it. The repayment of this loan

loan may be put off for three years. No interest need be charged on it.

2) It is proposed to improve the buildings of the Mutt. A free contribution towards the construction of these buildings might be made.

~~and~~ 3) The Mutt has a large extent of land which for want of financial assistance, it is unable to bring ~~it~~ under cultivation. Suitable Taccavi loans might be granted to enable it to have the lands properly cultivated.

4) Any transfer of Inam Grants possible under G.O. 8 1.3.29 may also be allowed

Hon'ble Member with Compliments

With reference to the application of the Chanchukallu Mudi for some cash grant from Govt, I feel that the request is one deserving of sympathetic consideration, comes as it does on behalf of the Largest Community in the State, which wants to educate them in the "spectrum world". A grant of Rs 100/- p.m for a period of 5 years would not, perhaps, be excessive and may be sanctioned, if His Highness is pleased to approve of the proposal. We have asked for Rs 600/- a month, but we appear that has possibly to agree to

Final Note by the First Member of Council.

Subject:—

Request of the Sri Adi Chunchanagiri Mutt for financial assistance.

The Adi Chunchanagiri Mutt had applied in 1928 for certain honours and a cash grant, and with His Highness' approval, certain honours were granted in Government Order dated the 11th July 1929. As regards the cash grant, the Mutt was informed that its request for financial aid would be considered by Government when a representation was received for the improvement of its building or other similar objects.

The Agent of the Mutt has applied for a cash grant of Rs 600/- per mensem as the financial condition of the Mutt is not satisfactory. The subject was referred to the Muzrai Commissioner who is of opinion that the financial position of the Mutt is unsatisfactory, that it is only after the present Swami's installation in 1928 that endeavours are being made to put things in order, and, that for want of funds, it has not been able to make much progress in improving its condition.

Para 5 of Muzrai Mutts.

This question was considered in Council on the 21st April 1932 and it was resolved that a monthly grant of Rs 100/- (one hundred) might be allowed to this Mutt for a period of ten years. This Mutt has a large number of disciples of the Vokkaligar community and it is in need of financial assistance. The recommendation of the Council may be graciously sanctioned.
